Aryan was an ordinary boy with a love for inventions. One day, while helping his grandfather clean the attic, he found a dusty old watch with strange buttons. When Aryan pressed the red button, the room began to spin, and everything disappeared in a flash.

The next thing he knew, he ended up standing in the middle of a bustling street with horse-drawn carriages and people wearing clothes from the past. Aryan realized he had travelled back in time! He explored the town, went to a blacksmith at work, and even saw a baker making bread. After a fun day, Aryan pressed the green button on the watch and was back in the attic.

He couldn't believe what had happened, but the watch was still ticking. From that day on, Aryan went on many time-travel adventures, learning history by living it!

1. What kind of boy was Aryan?

2. What did he find in the attic?

3. Where did he end up after pressing the red button?

4. Whom did Aryan meet while exploring the town in the past?
